# UBUNTU LINUX INSTALL-FEST

**What:** Learn how to install Ubuntu Linux on your PC (desktop or laptop)
**Where:** Nonprofit Technology Resources (ntronline.org), 1524 Brandywine Street, Philadelphia PA 19130
**How:** Go to meetlinux.com for info and registration
**When:** June 2, 2007, three sessions: 10am -12pm; 12:30pm-2:30pm; 3pm-5pm

You may have heard about Ubuntu Linux.  You wanted to try it but didn't know where to begin.  Come to our install-fest and let our volunteers help you become a part of this amazing computing phenomenon by installing Ubuntu Linux on your PC.

Ubuntu is a community developed Linux-based operating system that is perfect for laptops, desktops, or servers. When you install Ubuntu, you have access to thousands of open source software packages which cost you nothing!
